Authority for Expenditure of \$ 14,251 is requested for purpose of installing temporary
bunkhouses to property at Laramie, Wyoming.
(Station or Location)

Description of project:

Install 16 prefabricated portable bunkhouses.

Recommendations:

The supply of local labor is exhausted in the vicinity of Laramie necessitating our bringing in Mexican Nationals and Indians to supplement our limited local forces.

Due to the heavy increase in ice issues and the inexperienced help we were able to secure a much larger force than anticipated was required to perform operations. A number of these men were housed in tents which was satisfactory until cold weather set in about September 13 necessitating purchase of the 16 temporary bunkhouses which are already installed.

Not included in 1945 Budget.
